

Symposium Internship Program – Financial Assistance Available!

Through our partnership with The Dupzyk Ranch foundation, in 2024 we are expanding our symposium internship program. To get RTN ready, keep our wheels rolling, the stock tended, and the trial/test scores recorded – we need helpers! Your brawn will help pay your class tuition!! 10 hours of sweat equity qualifies you for a full ride package! 5 hours will pay for the Short Stack packet (Monday – Wednesday), or the Super Short packet (Thursday & Friday). Internships are for working classes, classroom sessions and workshops, it does not cover private lessons, lunches or RV parking.

Before July 5th – we need help with landscaping, painting, minor fence repair, house cleaning (the office trailer) etc. If you have time between now and then – WE WANT YOU!

July 5th to July 14th – we need help with stock handling, scribes, timers, sheet runners during the trials and test, setting up canopies and water stations, helping with lunch service, taking down canopies at end of day, feeding livestock, feeding/watering kennel dogs, hauling water for the livestock, trash duty, etc.

Minimum requirements:

1. Interns must commit to 10 hours of service July 5th – July 14th.
2. All interns must participate in the hands-on practicum on Wednesday morning to help with vaccination, worming, banding, micro-chipping, and record keeping of the goat kids.
3. Tuition is earned either for the full week (Monday – Friday), 3 day (Short Stack – Monday through Wednesday, 2 day Super Short Stack – Thursday & Friday) or 1 day – no partial days, no splitting days.
4. While you can work multiple dogs during the day – only 1 dog per class. You can only use intern credit for 1 class per session.
