Is Your Dog “Farm Dog Certified”?

Does your dog have what it takes to be “Farm Dog Certified”? AKC’s newest event doesn’t require any herding

or working knowledge, but instead tests a dog’s aptitude to be a working farm dog. In the test, dogs are presented with livestock

and other sights, sounds, and scents common on a farm. The dog has to be confident and trust the handler, following instructions at all times.

To pass the evaluation the dog must greet the judge

politely, walk around the farm including through a gate and over unusual surfaces, walk past livestock and wait while the handler feeds the animals, stand politely while the handler inspects the dog and cleans off hay and debris, and several other items.

Your dog doesn’t have to be a herder to participate in the Farm Dog Certified test; it is open to all breeds and All American Dogs. The Farm Dog Certified test was designed so that all dogs can join in.

We are offering the Farm Dog Certification Tests at this trial on Sunday July 12 with two judges. Handlers meeting at 1 PM. Two qualifying legs will earn your dog a title!
